The Irwin & Joan Jacobs GRADUATE SCHOOL

M.Sc. | Ph.D. Degree Programs

The Technion Graduate School awards the following degrees:

M.Sc. | Master of Science

Ph.D. | Doctor of Philosophy

> **Doctoral Degree Program (Ph.D.)**

Registration and Admission Requirements:

Applicants must have an MSc or MA degree (research track) from an accredited university and a minimum score of 80% for their research work (note: specific departments will likely require a higher score) and a minimum grade point average (GPA) of 80%.

Applicants may be required to submit GRE (general test) scores.

Applicants must have completed relevant coursework, passed a candidacy exam, conducted research, given a seminar lecture, and completed the writing and defense of a master's thesis. Specific departments may have additional requirements.

For applicants interested in the Dual PhD Track, see:

> **Language of Instruction at the Technion**

The faculties of the Technion are committed to teaching graduate-level courses in English. Graduate students of the Technion must have a good command of the English language and are required to pass the "English Proficiency Exam" in their first semester.

Exam exemptions:

- > PhD students
- > Students with a minimum score of 75% on the language portion of the GRE/GMAT

All PhD students are required to take the "Academic English Writing" course.

> **Scholarships**

Scholarships are available to M.Sc. (research track) and Ph.D. students. Scholarships include a full or partial tuition waiver + additional funds for living expenses. Scholarships are awarded for a period of 24 months for M.Sc. students and 42-48 months for Ph.D. students.

> **Housing Options**

On-campus: Dormitories for singles, couples, and families. Housing is available for research students only, and are based on availability.

Off-campus: You may search for rental options in the neighborhoods surrounding the campus.
